What is a Field of Honor® Flag Display?

Healing Field® and Field of Honor® flag display programs started out as a way to commemorate the lives of those lost on September 11, 2001. In a short amount of time they have grown to become much more.

Communities all across America are turning to Healing Field and Field of Honor events to raise awareness and funds for a growing array of causes.

The Field of Honor display in Cohasset has become a treasured annual tribute to those in uniform that serve and protect our country every-

ryday.

Please come support, contribute and participate with us as we salute our nations HEROES during this beautiful Memorial Day event .
