Honoring Men and Women of the Military

Operation Support Our Troops-America in collaboration with the Naperville Park District and a number of other community organizations, businesses and individuals are proud to host the **2012 Naperville Healing Field of Honor** during the week of Veteran's Day from November 8-13. The proceeds from this event will be used to create new and better treatments for veterans suffering from Traumatic Brain Injuries, (TBI) and Post-Traumatic Stress Disorder (PTSD).

The grassy field at Rotary Hill will be transformed into a field of 2012 three foot by five foot American Flags on eight foot poles arranged in perfect rows and columns in an awe inspiring tribute to honor those men and women who sacrifice their time, talents, even their lives for our freedom and for this great land. Each flag will fly in honor of a hero that you can purchase for yourself or a loved one who had served or is currently serving.

The Healing Field Committee would like to welcome you to be part of this event. Present a flag in honor of all who serve and sacrifice, at the end of the event take the flag home, to your business or present it to your hero to fly and continue the tribute year round. Businesses, organizations and church groups are encouraged to consider being a sponsor as a way to honor and give thanks to those brave men, women and their families.
