Dear Supporter:

Last year’s Farmington Healing Field was a great success that allowed the San Juan Rotary Club to give \$6,500 back to our community, including \$5,000 to the Four Corners Blue Star Mothers that was utilized to support our troops and to send packages to our soldiers overseas.

This year’s event promises to be as successful as last year. Starting May 24<sup>th</sup>, the 2013 Healing Field will commence at the Farmington Boys and Girls Club.

Schedule of Events:

- Friday, May 24<sup>th</sup>, 6:00 p.m.: Opening Ceremonies
- Saturday, May 25<sup>th</sup>, Noon: Meet Our Veteran Heroes
- Sunday, May 26<sup>th</sup>, Noon: Meet our Military heroes
- Monday, May 27<sup>th</sup>, Noon: Meet Our First Responders
- Monday, May 27<sup>th</sup>, 5:00p.m.: Closing Ceremonies

In addition to the amazing flag display and the events identified above, a special area will be designated for the return of display-worthy flags from last year. For a nominal fee, anyone may choose to re-display a flag that they purchased last year.

Included in this letter is flyer with information about this year’s event. One side includes pertinent information about the event and the other includes information on how to support our event. If you are interested in a sponsorship or the purchase of Healing Field items, please fill this form out and send it in. Should you wish to re-display your flag, please bring it to the field Memorial Day Weekend.

Thank you again for your past support of this wonderful event. It is our hope that you will visit our field and once again be part of this patriotic tribute to our heroes.

Sincerely,

Farmington Healing Field  
San Juan Rotary Club
