

A Community Project
THAT BECAME A
National Movement

The Field of Honor® honors veterans , first responders - Public Safety , Fire & EMS - and frontline workers who have earned our gratitude.

These are the men and women who have brought our great country through battles of the hand and heart.

WE WILL KNOW THEM.

Now more than ever, it is appropriate to honor our heroes with the display of the flag that they honored though their service and sacrifice to our community.

WE WILL SAY "THANK YOU."

Fort Lupton's Field of Honor® display of U.S. Flags will stand in silent tribute to their service, past and present.

1,000 United State flags will be posted at Pearson Park along the South Platte River. Field areas are carefully planned and organized to honor each respective group. The field is guarded 24/7 during the event by volunteers working in shifts.

WE WILL STAND WITH THEM.

Heroes Defined

Whether they served decades ago, or are still serving our country today, they are heroes.

They are our neighbors, co-workers, friends, and family.

Let's honor them together, by name, in the Field of Honor.
